

To,

Martha Moore,

Chair of Conservation Commission,

Reading, MA

Sub: Extension of DEP# 270-0709

Dear Madam,

This is to request for extension of DEP # 270-0709, site at 50 Azalea Circle, Reading, MA. The extension is requested to complete the work since delays were faced during work due to supply shortage issues and unexpected personal family matters that needed work to be stalled.

I am expecting for extension for one year and hope to complete sooner. The site was visited by Conservation Administrator, Charles Tirone and was found to be in good standing.

The fee for extension was also submitted.

Thanks,

Debjyoti
