RE Construction at 35, 39-41 Lincoln St & 2-12 Prescott St

Dear Name,

On behalf of our client Reading MKM LLC, Bald Hill Builders LLC will be managing the construction activity at 35, 39-41 Lincoln Street and 2-12 Prescott Street. The existing buildings on the lots at these addresses are tentatively scheduled to be demolished the week of Monday, February 19st, and will take roughly three weeks

As we begin work at the site, we will work diligently with the Town of Reading authorities, the surrounding community, and yourself to minimize impacts. Please do not hesitate to contact Nate Ploughman from our office at 781-806-5951 or the office directly with any questions and/or concerns regarding demolition and the construction of the new building as we work to collectively improve the environment and landscape of Reading

Thank you,

Paul Mullaley
