TOWN OF READING

1839 • INCORPORATED 1844

Map by Town of Reading 6/8/10.
Parcels current as of 1/1/09.
Planimetric, hydrographic, and wetland features are from 2008 aerial photos.

FEMA FIRM flood zone boundaries provided in digital form by FEMA. Flood zones went into affect on June 4, 2010. The flood zone boundaries displayed on this map are for planning purposes only. The FEMA FIRM paper maps remain the official reference for flood insurance purposes. FIRMs are available in the Town of Reading Engineering office and can be viewed here:
