Hi Jim,

As discussed yesterday, can you please formally reply to this email and confirm HOA's approval of the attached plan?

I have also attached a copy of the RDA application that I plan to submit.

Please let me know if you have any questions.

Thanks!

Dear Jim,

Thanks for taking my call today. As discussed, attached is the plan that I would like to submit to the conservation. I am happy to present it to the board for necessary consideration.

I am trying to get on the Reading conservation committee's agenda for 9th Oct., and for that I need to submit the approved plan by 26th September (tomorrow).

I understand that it might be a challenge to do this on a short notice.

The next available date is 23rd October, for which I will need the approval latest by 7th October.

Hope we can hit those deadlines. Please let me know if you have any questions or concerns.

Thanks a lot in advance.

Best Regards,

Ujjval Shah
