Instruction to: Town of Reading, Department of Public Works
Board, Committee or Department

I, Sarah Brukilacchio of Precinct 4 do hereby move that;

On behalf of the Reading Garden Club (RGC), I request that the Town would approve of hanging flower baskets on the downtown light posts, with the assistance of the DPW to: hang the baskets, water the baskets and remove the baskets at season end. The Reading Garden Club would in turn collaborate with the Reading Rotary and the Chamber of Commerce to raise funds for the purpose of ordering of @75 baskets. The flower order would need to be placed by the end of this November for spring 2022. RGC seeks confirmation by November 19, 2021.
