## READING TOWN MEETING INSTRUCTIONAL MOTION FORM

Please print legibly and print exactly as you would like to present the Instructional Motion. This will become part of the permanent record of this Town Meeting and must be submitted to the Town Clerk and Moderator before Town Meeting.

Instructional Motion Number: \_\_\_\_\_ Date: Nov. 5, 2021

Instruction to: Select Board  
Board, Committee or Department

I, Bruce Mackenzie of Precinct 8 do hereby move that;

The Select Board is asked to plan ahead to allow for widening of Grove Street and to allow room for sidewalks, near the new house lots opposite 368 Grove St.

This could involve discussion with the Meadow Brook golf club, about acquiring a small area of unbuildable land behind those lots.

Then, ask to acquire narrow strips of land at the front of individual lots, compensate for that by giving land at the back of the lots.
