Instruction to: Reading board of recreation
Board, Committee or Department

I, Jack Heithaus Chase Kenyon, Emma Koster, and Eleanor Schanck of Precinct 1, 8, 7, 6 do hereby move that;

Picnic tables and trash cans be placed at the circle of trees in the Birch Meadow area. This would allow families to picnic together and to enjoy nature. The trash cans would prevent litter and they would add a pop of color to the area, as they would be painted by elementary school students.
