Subject: RE: 459 Main Street

Andrew,

I would also re-iterate to them that the applicant would be responsible for snow removal on any areas (street/sidewalk) that abut the construction area. This would also include snow removal on the sidewalk in and around the proposed pedestrian scaffolding.

Thanks,
Chris

Thank you Chris, I had the same question as it doesn't detail expected timing needed for utility work or other. Will be sure to include such when following up with the Applicant.
