Any employee in the bargaining unit possessing the necessary qualifications for a position in the same school may submit a letter of intent in lieu of the application

ARTICLE 9
SICK LEAVE

Section 1. Seven (7) days of sick leave shall be credited at the beginning of the school year, and the balance shall accrue at a rate of two (2) days per month thereafter to a total of fifteen (15) days. An employee shall receive sick leave for the same number of hours that the employee was absent. Ten (10) sick days may be used each year for attending to a member of the employee's immediate family or household who is ill or injured. At the request of an employee, the Superintendent may award days beyond the five for attending to a member of the employee's immediate family or household who is ill or injured.

Section 2. Any unused portion of sick leave may be accumulated to the number of hours each employee works in a school year. Only employees who work an average of twenty (20) hours or more per week effective June 30 of that year are eligible for this benefit.

Section 3. The Superintendent of Schools or his/her designee reserves the right to obtain an Independent Medical Examination of the Superintendent's choosing at its expense.

Section 5. Employees whose services are terminated for any reason shall not be entitled to compensation in lieu of sick leave not taken.

Section 6. A complete and accurate record shall be maintained of each employee setting forth the dates used from his/her sick leave and the number of his/her sick leave days remaining. Such record shall be available for inspection by each individual upon reasonable request.

Section 7. If leave with pay is about to be exhausted, the employee involved may make a written application for additional leave with pay for up to thirty (30) school days to the Superintendent of Schools or his/her designee. Grant of such leave is discretionary with the Committee. Before any action by the Committee, the employee shall submit a diagnosis, prognosis, and expected date of return to work. The Superintendent of Schools or his/her designee reserves the right to send a physician, at its expense, to examine the employee.

Section 8. All paraeducators will be able to use the substitute service.

Section 9. Family Medical Leave Act (See ARTICLE 11),

ARTICLE 10

TEMPORARY LEAVES WITH PAY

Section 1. Personal Leave. Recognizing that occasionally there arises an unusual situation necessitating the unexpected absence of an employee for personal reasons, the parties hereby agree to the following:

- a. A personal leave day is designed for personal matters that normally cannot be accomplished outside regular school hours and normally shall not be taken on the day immediately preceding or following vacations, holidays, or long weekends. The parties agree that such leave must be taken for important personal or business reasons and not as vacations or recreation. Personal days will not be taken or granted for travel time in connection with a vacation, holiday or weekend.
- b. Each full-time or regular part-time employee may be granted not more than two (2) personal days with pay per school year. The first such day shall be granted by the employee's immediate supervisor without a reason being stated upon at least forty-eight (48) hours notice unless an emergency situation precludes such notice being given. The second such day may be granted at the discretion of the Superintendent or his/her designee. A request for a personal day shall be submitted at least forty-eight 48 hours in advance unless an emergency situation precludes giving such notice, in which case the request shall be presented to the immediate supervisor as soon as possible. Upon request by the paraeducator the Superintendent may allow a third personal day in the event of an extreme emergency as deemed appropriate by the Superintendent. This third day may be deducted from the paraeducator's previously accumulated sick days.
- c. A personal day to be used on a Monday, Friday, or immediately preceding a vacation, holiday, long weekend or other day or days on which no work is scheduled may be granted in the manner provided for

the second day requiring reasons and the Superintendent or his/her designee's approval. In such event the employee retains the first personal day to be granted by his/her immediate supervisor without reason required unless previously utilized except as provided above.

- d. In the event the Superintendent of Schools or his/her designee has valid reason to believe that a personal day had been taken for a reason inconsistent with the above provision, the Superintendent of Schools or his/her designee reserves the right to deny pay or take other appropriate action for that day, and the individual and/or Association reserves the right to file a grievance.
- e. Any employee hired after December 30th shall be entitled to only one (1) personal day.

Section 2. **Funeral Leave.** Five (5) days leave with pay will be granted to an employee upon the death of the employee's spouse, father, mother, son, or daughter. Three (3) days leave with pay will be granted to an employee upon the death of the employee's brother, sister, grandparent, grandchild, mother-in-law, or father-in-law. One (1) day leave will be granted to an employee upon the death of other members of the employee's family, such as an aunt, uncle, sister-in-law, brother-in-law, etc. Extra time may be granted for personal leave at the discretion of the Superintendent.

ARTICLE 11

LEAVES OF ABSENCE WITHOUT PAY

This article is intended to explain the existing law. It is understood that current statutes and regulations shall take precedent.

Section 1. **Family and Medical Leave Act**

The Federal Government passed the Family and Medical Leave Act (FMLA) of 1993, which requires the Reading School District to grant an eligible employee up to twelve (12) work weeks of unpaid leave during any twelve (12) month period for one or more of the following reasons:

Parental Leave: The birth of a son or daughter and the care of the newborn child:

Adoptive Leave: The placement with the employee of a son or daughter for adoption or foster care;

Family Medical Leave: To care for the employee's spouse, son, daughter or parent with a serious health condition;

Personal Medical Leave: Because of a serious health condition that makes the employee unable to perform the essential functions of his/her job.

Eligibility – In order to be eligible for benefits under this Act, an employee must have been employed for at least twelve (12) months; and have provided at least 1,250 hours of service, including paid vacation and sick leave, in the twelve (12) months period prior to the leave request.

Timing of Twelve (12) Month Leave Period - The twelve (12) month period used for determining an employee's twelve (12) week FMLA leave entitlement will be a "rolling" twelve (12) month period measured backward from the date the employee begins the use of FMLA leave. The employee should submit a written request prior to the start of the FMLA leave, unless the leave is due to

unforeseeable circumstances.

Health Insurance Continuation - The Reading School District will maintain health plan coverage for any employee who takes FMLA at the same level, and conditions that would have applied if the employee had not taken leave. The employee must continue to pay his/her share of this coverage, either through payroll deduction or over counter in Treasure's Office. If the employee fails to return to work following the expiration of the period of FMLA leave, the employee will be obligated to pay to the Town the entire Town contribution to the employee's medical insurance plan for the entire period of FMLA leave, except in certain limited circumstances required by law.

Benefits - The employee will not accrue any vacation time, sick leave, holidays, personal leave, floating holidays, clothing allowance, seniority bereavement leave or other benefits during any unpaid part of leave. After returning from FMLA leave, however, he/she will receive all vacation time, sick leave, seniority and other benefits for which he/she was eligible prior to the start of the leave, unless the paid time is exhausted during the leave.

Guarantee of Job - The employee will be able to return to his/her prior position or a position with equivalent benefits, pay and other terms and conditions of employment. An exception to this guarantee is that the highest paid ten percent (10%) employees of the Reading School District may be notified that leave, or the continuation of their leave, would cause grievous economic injury to the Reading School District and cannot be granted. If one of these employees elects not to return to work after such a notice, the Reading School District may then deny later reinstatement.

Limits - The following limits will apply to the leave granted under this Act:

1. Leave for the birth or placement of a child expires at the end of the twelve (12) month period beginning on the date of such birth or placement;
2. Leave for the birth or placement of a child or placement of a child for adoption or foster care may not be taken intermittently;
3. Leave for the birth or placement of a child or to care for a sick parent may be limited to a total of twelve (12) weeks when both a husband and wife work for the Reading School District and are eligible for leave;
4. A son or daughter for whom family medical leave may be taken is one under eighteen (18) years of age or one who is incapable of self care because of mental or physical disability;
5. A son or daughter includes an adoptive, foster or stepchild, a legal ward or a child of a person standing in loco parentis;
6. A parent includes biological parents of an employee or a person who stood in loco parentis to an employee;
7. Spouse will be defined under the Laws of the Commonwealth of Massachusetts;
8. The Reading School District shall require the employee use all paid accrued vacation, personal days or sick leave, where applicable, during an FMLA leave;
9. Under this policy, an employee can only substitute paid sick leave for his/her own leave because of a serious health condition and not for that of a spouse, son, daughter or parent except that which is allowed for family illness in the section above "Timing of Twelve (12) Month Leave Period";
10. An illness, injury, impairment or physical or mental condition that involved either inpatient care in a hospital, hospice or residential medical care facility or continuing treatment by a health provider (a doctor of medicine or osteopathy), as that term is defined by the FMLA,

- qualifies as a serious health condition;
11. When medically necessary, leave for a serious health condition may be taken intermittently; the Reading School District may require an employee to provide certification for intermittent leave for planned medical treatment indicating the timing and duration of treatment. Also, the Reading School District may require the employee to transfer to a position with equivalent pay and benefits which may better accommodate recurring periods of leave;
 12. The Reading School District may require thirty (30) days notice of planned medical treatment, or such notice as is practicable;
 13. The Reading School District may require medical certification from a health provider of a serious health condition of a family member or employee, as provided by the FMLA;
 14. The Reading School District may require the employee to obtain the opinion of a second health care provider of its choosing; a third opinion may also be sought which is to be approved by both parties and which is binding. The Reading School District will pay for these opinions;
 15. The Reading School District may require recertification of the serious health during a leave, and may require an employee to report on his or her status and intention to return to work; and
 16. An employee must supply the Reading School District with a fitness for duty note from a health care provider before a return to work from a serious health condition.

Section 2. **Small Necessities Leave.** Pursuant to Massachusetts General Laws Chapter 149, Section 52D, eligible employees may be entitled to leave as governed by the Massachusetts Small Necessities Leave Act (SNLA) as set forth below.

Generally, an employee who has been employed by the District for at least twelve (12) months and has worked at least one thousand two hundred fifty (1,250) hours during the twelve month period immediately prior to the commencement of the leave may be eligible for SNLA leave. Eligible employees may be entitled to take up to twenty-four (24) hours of unpaid leave during any rolling twelve (12) month period for any of the following covered purposes:

- a. Participation in school activities of a son or daughter as long as those activities are directly related to the educational advancement of the child (e.g., parent-teacher conferences, interviews for a new school);
- b. Accompanying a son or daughter to routine health care appointments, including medical and dental appointments;
- c. Accompanying an elderly relative (defined as an individual at least sixty (60) years of age related to the employee by blood or marriage) to routine health care appointments, including medical and dental visits;
- d. Accompanying an elderly relative to an appointment for professional services related to the individual's care, such as interviewing for a nursing home or group care facility.

In the event of foreseeable leave, employees are expected to submit a written request for leave forty-eight (48) hours prior to the anticipated commencement of the leave. Where leave is not foreseeable, notice must be given as soon as is practicable, but not less than one-day prior to the leave.

Small necessities leave is generally unpaid; however eligible employee may use accrued vacation (in

half-day increments) or personal time, if available, in order to cover the time away. Any paid time off used is exhausted simultaneously with an employee's entitlement to SNLA leave.

An employee may be required to submit certification from the health care provider or administrator visited during the leave. It is the employee's responsibility to ensure that the certification is provided to the Principal or Director of Human Resources and Finance. If an employee fails to obtain the appropriate medical certification of the need for the leave, the District reserves the right to refuse SNLA leave.

Section 3. Maternity Leave. A female employee who has been employed by the Reading School District for not less than three (3) calendar months shall, upon request, be granted a maternity leave of absence of not more than eight (8) calendar weeks duration. Such leave shall be unpaid except to the extent of actual disability which normally shall not exceed ten (10) days. A claim of actual disability beyond ten (10) days shall be supported by a doctor's certificate following the period of disability. Actual disability shall be treated as paid sick leave.

An application for leave must be made at least sixty (60) calendar days prior to the employee's anticipated date of departure and must include a statement of the employee's intention to return and the date on which she expects to return.

The employee who returns to work on the date specified above shall be restored to her prior position, or a similar position, on that date. In the event the employee seeks to return on a date earlier or later than the date specified, she shall be restored to her prior position, or a similar position, as soon as practicable.

An evaluation procedure shall be established by the Reading School District using factors which shall be reasonably related to the employee's work performance. Prior to the Reading School District's implementing the evaluation process, it shall meet with members of the Association to review the form, criteria, and procedures to be followed in the evaluation and to seek its input.

The paraeducator performance instrument is attached as a reference only in Appendix B and is not as part of this contract. It is agreed that use of the attached instrument has met the above paragraph. The parties agree to review this document during negotiations for the next agreement.

Employees may be evaluated annually. Employees who are in the first three years of employment in the Reading Public Schools will be evaluated annually. Employees who have worked more than three years may be evaluated bi-annually. Employees shall be evaluated in accordance with the Evaluation tool on the work they are doing in their assigned position. All monitoring and observation of the work performance of an employee will be conducted openly and with full knowledge of the employee. An employee will be given a copy of any evaluation by June 1 prepared by the supervisor and will have the right to discuss this evaluation with the supervisors. A supervisor is required to confer with an employee whose service has been rated unsatisfactory in any respect, explain the rating, and plan cooperatively for improvement. The employee shall sign the evaluation to indicate having received a copy. The employee may attach comments

The employee shall acknowledge such material by signing the file copy understanding that the signature in no way indicates agreement with the contents thereof. The employee has the right to submit a written response to such material which shall be attached to the file copy.

Section 1: Improvement Plan

- A) An Improvement Plan is for a Paraeducator who is not in their probationary period and whose overall rating is Does Not Meet Standard or the Equivalent.
- B) The parties agree that in order to provide students with the best services, it may be necessary from time to time to place a paraeducator whose practice has been rated as Does Not Meet Standard on an Improvement Plan of no fewer than 30 school days and no more than one school year. In the case of a paraeducator receiving a rating of Does Not Meet Standard or the Equivalent near the close of one school year, the Improvement Plan may include activities that occur during the summer before the next school year begins. If the activities occur during the summer, the employee will be compensated for any additional hours at their hourly rate.
- C) The Evaluator must complete a summative evaluation for the paraeducator at the end of the period determined by the Evaluator for the Plan.
- D) The Improvement Plan shall define the problem(s) of practice identified through the observations and evaluation and detail the improvement goals to be met, the activities the paraeducator must take to improve and the assistance to be provided to the paraeducator by the district.
- E) The Improvement Plan process shall include:
 - i) Within ten school days of notification to the paraeducator that the paraeducator is being placed on an Improvement Plan, the Evaluator shall schedule a meeting with the paraeducator to discuss the Improvement Plan. The Evaluator will develop the Improvement Plan, which will include the provision of specific assistance to the paraeducator.
 - ii) The Educator may request that a representative of the Reading Paraeducators Association attend the meeting(s).
 - iii) If the Educator consents, the Association will be informed that an Educator has been placed on an Improvement Plan.
- F) The Improvement Plan shall:
 - i) Define the improvement goals directly related to the standard(s) that must be improved;
 - ii) Describe the activities and work products the paraeducator must complete as a means of improving performance;

- iii) Describe the assistance that the district will make available to the paraeducator;
 - iv) Articulate the measurable outcomes that will be accepted as evidence of improvement;
 - v) Detail the timeline for completion of each component of the Plan;
 - vi) Identify the individuals assigned to assist the paraeducator which must include minimally the Evaluator; and,
 - vii) Include the signatures of the paraeducator and Evaluator.
- G) A copy of the signed Plan shall be provided to the paraeducator. The paraeducator's signature indicates that the paraeducator received the Improvement Plan in a timely fashion. The signature does not indicate agreement or disagreement with its contents.
- H) Decision on the paraeducator's status at the conclusion of the Improvement Plan.
- i) All determinations below must be made no later than June 1. One of three decisions must be made at the conclusion of the Improvement Plan:
 - (a) If the Evaluator determines that the paraeducator has improved his/her practice to the level of Meets the Standard (or equivalent) or greater, the Educator will no longer be on an Improvement Plan.
 - (b) In those cases where the paraeducator was placed on an improvement plan, if the Evaluator determines that the paraeducator is receiving an overall rating of progressing toward the standard or equivalent, then the paraeducator will remain on an improvement plan for the equivalent amount of time as the first improvement plan.
 - (c) In those cases where the paraeducator was placed on an Improvement Plan, if the Evaluator determines that the paraeducator is not making substantial progress and is not receiving an overall rating of Progressing Toward the Standards (or equivalent) or higher, the Evaluator shall recommend to the superintendent that the Educator be dismissed.
 - (d) If the Evaluator determines that the Educator's practice remains at the level of unsatisfactory, the Evaluator shall recommend to the superintendent that the Educator be dismissed.
 - (e) A paraeducator can remain on an improvement plan for up to two years, depending on the rating he or she receives. If the paraeducator has not improved enough to be taken off of the improvement plan after two years, the evaluator shall recommend to the Superintendent that the educator will be dismissed.

ARTICLE 17

REDUCTIONS IN STAFF

Section 1. In the event that the Reading School District determines that it is necessary to reduce the number of permanent employees in the bargaining unit, the procedures set forth in this Article will govern the termination and reemployment of an employee who is affected by any such reduction.

Section 2. Should the Reading School District determine that a reduction is to occur in one or more areas, the following procedure shall be followed:

- a. To the extent possible, normal attrition will be used to reduce the number of positions in the area involved.
- b. If further reductions are needed, the Reading School District shall lay off employees in reverse order of seniority within the classifications of regular paraeducator, Learning Center or LLD Paraeducator /Regular Education Tutor, and ILP/TSP/DLC/SSP/RISE paraeducator. A paraeducator who is appropriately qualified as defined in the job description can displace the least senior person in another classification area. However, in no case may an employee displace into a more specialized classification.
- c. The Superintendent may make exceptions to inverse seniority in certain circumstances in the best interest of a student(s) and in doing so shall give due weight to a paraeducator's unique competencies and abilities, prior training and experience, quality of performance, educational background, and special qualifications. For example, a paraeducator in a specialized program that requires specific training to that program cannot be displaced during a reduction by a paraeducator without specialized training with a higher seniority.
- d. The School Department will publish by October 15 of each year, a seniority list which includes information about date of hire and original classification and date of employment in present classification. A copy will be posted in each school building and a copy sent to the association president. The list will be updated by January 15 of each year and made available to the association president.
- e. Although a paraeducator may be reduced out of her present classification due to a staff reduction in that classification, a paraeducator will not have cumulative seniority rights in another classification provided she has continuous service as a paraeducator in Reading. Any issues concerning the qualifications or experience of a paraeducator shall be resolved at a meeting between the Association and the Administration. The standard for resolution shall be in the best interest of the children. The decision of the Superintendent shall be final and is not subject to the grievance process.

Section 3. The Superintendent of Schools or his/her designee will make every effort to notify employees whose employment is to be terminated effective at the end of the school year no later than May 15 of the school year at the end of which their employment is to be terminated. If the reduction in force occurs during the school year, the employees affected shall receive thirty (30) calendar days notice.

Section 4. Employees whose employment is so terminated, will be considered for reemployment by the Reading School District in the inverse order of their terminations during a period of eighteen (18) months from the effective date of their termination, if they inform the Superintendent or his/her designee in writing within thirty (30) calendar days of their termination of their desire to be so considered. An employee who declines a position shall be placed at the bottom of the recall list. If each person on the recall list refuses the position offered, the Reading School District may hire from outside the system.

The senior paraeducator on layoff who is qualified to fill a permanent vacancy in an area in which he/she has the requisite prior training, experience, competencies and abilities will be recalled first. The

Reading School District will not hire from the outside to fill any vacancy so long as paraeducators who meet the criteria of the preceding sentence retain recall rights. Recall outside of a paraeducator's prior training, competencies and abilities will be considered on an individual basis by the Superintendent in his/her discretion.

Section 5. Employees, who are re-employed by the Reading School District within said eighteen (18) months period after their termination under the provisions of this Article, shall have restored to them the unused sick leave they had accumulated at the time of their said termination.

Section 6. Employees, who are re-employed by the Reading School District within said eighteen (18) months period after their termination under the provisions of this Article, shall have restored to them their seniority that they had at the time of the termination.

Section 7. A certified letter and email will be sent to all employees on the recall list to their last address on file at the Superintendent's Office and this shall constitute as recall notice. Failure by the employee to reply in writing or via email within ten (10) calendar days shall result in placement at the bottom of the recall list. The most senior employee that responds within the time period will be placed in the position.

Section 8. If two (2) or more employees are laid off effective the same date, for purposes of recall their order of layoff shall be according to seniority.

Section 9. The Superintendent or his/her designee shall consult with affected employees and a representative(s) of the Association to attempt to amicably determine reassignment and shall give serious consideration to their requests. The Superintendent or his/her designee has the final responsibility and authority to make reassignments.

Section 10. Any selection for lay-off (or recall) based on seniority shall not be subject to the arbitration procedure unless the claim is based on a paraeducator's greater seniority.

Any selection based on criteria other than seniority shall not be subject to the grievance and arbitration procedure unless the claim is based on a paraeducator's greater seniority.

- a. the use of such other criteria shall not be considered as evidence per se of a contract violation:
- b. the arbitrator shall not substitute his judgment for that of the Superintendent even if the Superintendent made an error in judgment unless the Association establishes that such judgment lacked a rational basis or, even if supported by a rational basis, establishes that such judgment was exercised in bad faith.

Section 11. If members of the Paraeducators Association are reduced in force, the School Committee and Administration will not consciously recruit volunteers to consistently perform duties done by members of the unit. However, volunteers may be recruited and/or used to perform duties not specified in the paraeducator job descriptions.

ARTICLE 18

STAFFING

Nothing in this Agreement shall in any way impair the right of the Reading School District to eliminate positions or reduce the level of staffing, reorganize paraeducator functions, or make any other staffing changes which it deems necessary. The exercise of their rights is subject only to the Committee's obligation under M.G.L. 150E to bargain the impact of certain staffing changes prior to implementation.

Any reduction in staff hours for current employees will be approved by the Superintendent.

ARTICLE 19

They also recognize that frequent transfer of paraeducators could be disruptive to the educational process and/or interfere with optimum paraeducator performance. Therefore, they agree as follows:

1. Request for Transfer

- a. Paraeducators may apply for transfer to positions posted in accordance with this contract.
- b. The Superintendent or his designee shall have the final determination of acceptance of such a request and his/her decision is not subject to the grievance and arbitration procedure.

2. Involuntary Transfers

- a. When an involuntary transfer is necessary, a paraeducator's area unique competencies and abilities, prior training and experience, and other factors deemed appropriate by the Superintendent or Principal, as the case may be, shall be considered in determining which paraeducator will be transferred. When all such factors are relatively equal, the least senior paraeducator, as measured by length of service in the particular school building, will be selected for transfer. Transfers shall not be subject to the grievance and arbitration procedure.
- b. Notice of involuntary transfers will be given to the association.
- c. Notice of intent to transfer shall be given to paraeducators in writing. Before a paraeducator is transferred involuntarily, he will be given a written statement setting forth in detail the reason for his transfer. Any involuntary transfer shall be made only after a meeting between the paraeducator involved and the Superintendent or his/her designee, provided such meeting is requested prior to the date when such transfer is scheduled. The paraeducator may, at his/her option, have an Association representative present at the meeting.
